Army of the Dawn

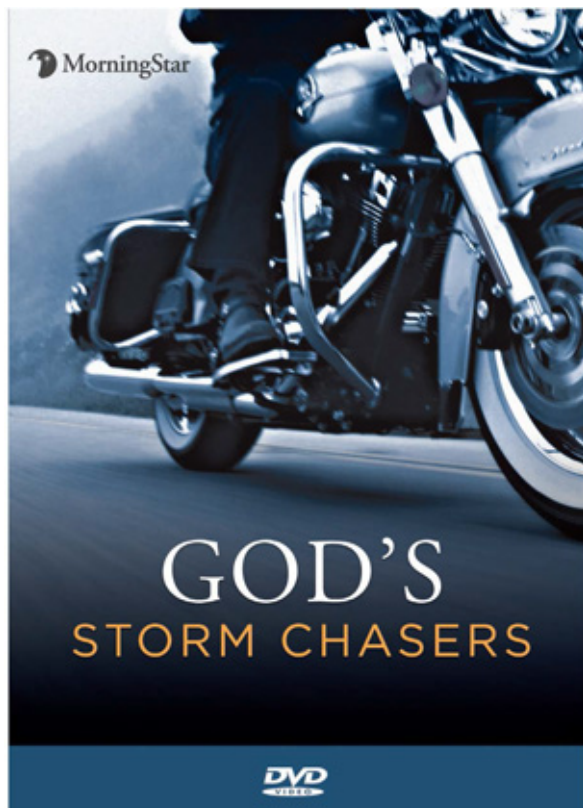

By Rick Joyner

God has an army that will soon mobilize. Its weapons are not physical but spiritual, and this gathering will be the most powerful force on earth. This book is a call to be part of the greatest adventure and the most important cause there will ever be.

Army of the Dawn is both a prophecy and a training manual. It is written to inform, inspire, and provide practical instruction for those who are called to follow the King and turn an upside down world right side up.

Living Dangerously: A Behind the Scenes Look at The Climate Change Debate

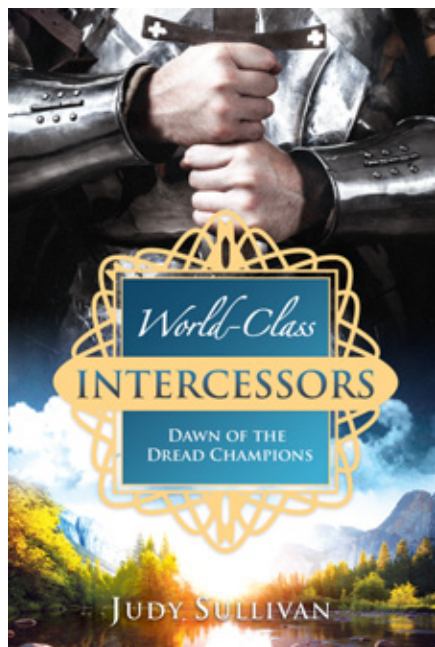

By Rick Joyner

Many of the ultimate issues that mankind is now facing are being drawn to the same crossroads around the issue of climate change. The trend is for it to take an increasing amount of control. Whether it deserves this control over us or not is a crucial issue that will affect us all.

Living Dangerously is about my journey to understand climate change. My goal was to determine if it was real. If it was real, then I wanted to understand the consequences. If it wasn't real, I wanted to understand the agenda of those who were propagating it. I learned far more than I expected. The implications of this are more far reaching than I even imagined. World-Class Intercessors: Dawn of the Dread Champions

By Judy Sullivan

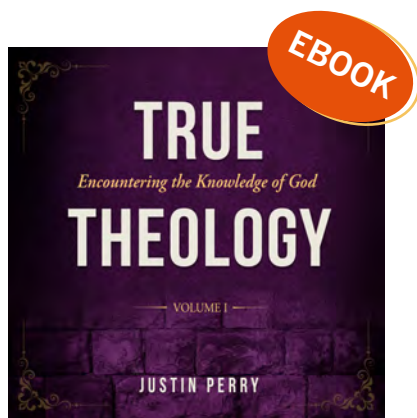

Years ago, when women's coffees and prayer clubs were popular, true intercessors were rare. Thankfully intercession has more relevance today, and Christian leaders on all the mountains of influence in society are beginning to understand the significance of their role. But even more important is the impact that can be felt when true intercession takes place that can safeguard a city and change the course of history in a nation. I am grateful for the truths the Lord has taught me about the role of the intercessor on the frontlines of battle. This book is simply the story of my journey. – Judy Sullivan

True Theology: Encountering The Knowledge of God

By Justin Perry

Few disciplines have taken the most interesting subject there will ever be—God—and reduced it to something as boring and lifeless as theology has done. This is why it is so amazing when a thinker like Justin Perry comes along. He thinks with theological discipline, while imparting life, vision, and adventure into theology in a way that compels you to want to study. Justin's theology takes you beyond just knowing principles and methods. He compels you to know God and to walk with Him in the greatest of all adventures—true Christianity.

Back to The Future: Rebuilding America's Stability

By Karla Perry

Like a surgical strike, *Back to the Future* targets faulty thinking that has enfeebled America, and teaches us how to think and act in ways that promote a healthy and prosperous future. It is about rediscovering what made America great so that we can return to these principles, and therefore, to the once solid foundation she was built upon. Engaging philosophy, education, history, science, journalism, family, and the church, we will travel back in time to see where we deviated from our nation's foundation.

Kingdom Education: The Comenius School for Creative Leadership Approach

By Rick Joyner, Sandy Woods, Clint Rogers, Linda Wentz, Bobby Hussey, Sheila N. Lester, Sarah Godwin, Michael Fickess

Kingdom Education creates a culture that unlocks unique potential in each child and produces extraordinary students.

The key is not in the curriculum that is used, but how we teach the children to connect with the Lord and give expression to the Holy Spirit. True freedom of expression unlocks creativity within each child that, in turn, causes the child to excel and sets them on the course to discover their destiny.

Prosperity—everyone warns to prosper, but what is the secret? Does your life lack productivity, vision, or purpose? Are you unsure of where to even begin to change? In the search for prosperity, too many people give up before they start. *The Prosperity Matrix* is your guide to building sustained prosperity in every area of your life. Even if you have achieved many of your life's goals, true prosperity can continue to grow when you discover what matters most and set your personal course for the future.

Dave Yarnes, successful entrepreneur and businessman, shares practical insights and experiences of how to maintain your dream for a greater destiny and a life of distinction. *The Prosperity Matrix* helps map out your life goals so you can design the life you want to live and achieve lasting prosperity.

With information compiled from hundreds of personal interviews, this book will also help you discover what elements have had the most sustained and productive outcomes for today's high-impact leaders. This book will change your life, not just for today, but the way you live every day

I've done more programs with Dave Yarnes this past year than anyone else. His ability to grasp the essence of an idea and break it down into an engaging and practical experience is nothing short of phenomenal. I strongly urge my friends to read his book, *The Prosperity Matrix*, and then join us for a "Destiny Weekend" immersion experience.

This year's message is an important one: The Shift Has Come

In light of all that is happening around the world economically, socially, and globally, it's time for emerging marketplace leaders to take their place. Old paradigms are colliding and new ones are emerging.

Listen to Dave Yarnes, Rick Joyner, and Lance Wallnau, among other successful Christian entrepreneurs, as they share the strategic truths that have allowed them to conquer their respective spheres of influence. With over twelve different speakers and more than fourteen hours of content, this year's KBA conference has a lot to offer.

THE 7 MOUNTAIN MANDATE by Lance Wallnau

Prepare to be challenged, equipped, and inspired by this revolutionary teaching series that will impart vision and supernatural strategies for engaging the darkness covering the earth with the light of the kingdom of heaven.
